Chart #	Physician ID / Name	ICD1	ICD2	ICD3	CPT1	CPT2	CPT3	CPT4	CPT5	CPT6	CPT7	Comments
1527830	Riley Smith MD	Z30.09			99213			99356	99214.25	99214.25	99214.25	
Code Quick Results	Riley Smith MD	Z30.09			99212			99356	99214.25	99214.25	99214.25	Physician coded 99213. However document support for Expanded Problem Focused History, Problem focused Exam (Constitutional only documented) and Medical Decision Making supports for Straight Forward (Physician discussed and given counseling about the contraceptive options only). Hence we have coded 99212.
2501660	Riley Smith MD	B37.3	R30.0	R10.2	99213	81003	87210	95213-25				
Code Quick Results	Riley Smith MD	B37.3	R30.0	R10.2	99214	81003	87210	95213-24				Physician coded 99213. Document support for Detailed History, Detailed Exam and Medical Decision Making supports for Moderate complexity (Physician performed Labs, ordered TVUS, discussed ways to prevent recurrent infections and medications provided which supports for Table A - 3 points - Established conditions with increased symptoms, Table B - 2 points & Table C - Moderate risk - Restart Fluconazole). Hence we have coded 99214.
2050150	Riley Smith MD	R10.2	F41.9		99213	81003		99356	99214.25			
Code Quick Results	Riley Smith MD	R10.2	F41.9		99213	81003						Physician coded 99213. We agree with the level of service. Document support for Detailed History, Detailed Exam and Medical Decision Making supports for Low complexity (Physician performed urinalysis, old records reviewed, medication refill provided which supports for Table A - 2 points, Table B - 2 points & Table C - Low risk). Hence we have coded 99213.
958500	Riley Smith MD	Z32.01			99213	76815						
Code Quick Results	Riley Smith MD	Z32.01			99213	NA		95213-22				Physician coded 99213. We agree with the level of service. Document support for Expanded Problem Focused History, Comprehensive Exam and Medical Decision Making supports for Low complexity (Physician ordered Labs & ultrasound and advised what foods and medications to avoid in pregnancy which supports for Table A - 2 points, Table B - 2 points & Table C - Low risk). Hence we have coded 99213. Physician coded 76815 for OB Ultrasound.
2559250	Riley Smith MD	N92.1	Z30.09		99213			99356				
Code Quick Results	Riley Smith MD	N92.1	Z30.09		99213			99356				Physician coded 99213. We agree with the level of service. Document supports for Expanded Problem Focused History, Problem focused Exam and Medical Decision Making supports for Straight Forward (Physician discussed and given counseling about the contraceptive options only) however more than 85% of 15 minutes visit spent in counselling and co-ordination of care which warrants to bill 99213.
1527830	Riley Smith MD	Z30.09			99213			95213-21				
Code Quick Results	Riley Smith MD	Z30.09			99212			95213-20				Physician coded 99213. However document support for Expanded Problem Focused History, Problem focused Exam (Constitutional only documented) and Medical Decision Making supports for Straight Forward (Physician discussed and given counseling about the contraceptive options only). Hence we have coded 99212.
2501660	Riley Smith MD	B37.3	R30.0	R10.2	99213	81003	87210	99356	99214.25			
Code Quick Results	Riley Smith MD	B37.3	R30.0	R10.2	99214	81003	87210					Physician coded 99213. Document support for Detailed History, Detailed Exam and Medical Decision Making supports for Moderate complexity (Physician performed Labs, ordered TVUS, discussed ways to prevent recurrent infections and medications provided which supports for Table A - 3 points - Established conditions with increased symptoms, Table B - 2 points & Table C - Moderate risk - Restart Fluconazole). Hence we have coded 99214.
2050150	Riley Smith MD	R10.2	F41.9		99213	81003						
Code Quick Results	Riley Smith MD	R10.2	F41.9		99213	81003						Physician coded 99213. We agree with the level of service. Document support for Detailed History, Detailed Exam and Medical Decision Making supports for Low complexity (Physician performed urinalysis, old records reviewed, medication refill provided which supports for Table A - 2 points, Table B - 2 points & Table C - Low risk). Hence we have coded 99213.
958500	Riley Smith MD	Z32.01			99213	76815		99356				
Code Quick Results	Riley Smith MD	Z32.01			99213	NA						Physician coded 99213. We agree with the level of service. Document support for Expanded Problem Focused History, Comprehensive Exam and Medical Decision Making supports for Low complexity (Physician ordered Labs & ultrasound and advised what foods and medications to avoid in pregnancy which supports for Table A - 2 points, Table B - 2 points & Table C - Low risk). Hence we have coded 99213. Physician coded 76815 for OB Ultrasound.
